Side event: 33rd International Conference

Protection of Water in Armed Conflicts

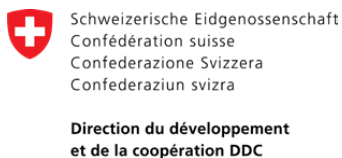

10 December 2019, 18h30 - 19h30

Room 15

This side-event will raise awareness about the increasing vulnerabilities of populations affected by armed conflicts regarding access to water and sanitation. Speakers will explore ways to prevent and to respond to these vulnerabilities. In particular, the debate will focus on how to actively promote compliance with the legal regimes protecting access to water and how to improve the resilience of water and sanitation systems during and after armed conflicts.

With simultaneous interpretation in French.
A cocktail will follow this event.
