

8th Session of the
**MEETING OF THE PARTIES
TO THE WATER CONVENTION**
10-12 OCTOBER 2018 | ASTANA | KAZAKHSTAN

Side Event

“THE GLOBAL OBSERVATORY FOR WATER AND PEACE: TOWARDS EFFECTIVE TRANSBOUNDARY, INTERSECTORAL AND LOCAL WATER COOPERATION”

FRIDAY, 12 October | 13:30 - 14:45 | Expo Congress Center, Room n°1

The objectives of this side-event are to present the Global Observatory for Water and Peace, its current regional partners and future activities. It will also discuss how the Global Observatory can support the implementation of the two global Conventions and explore potential interested partners in Central Asia.

(English-Russian with simultaneous interpretation)
